

# CarbonCore Leadership Team

Our leadership team combines deep expertise in sustainable fuels, advanced materials, and strategic execution. Each member brings a unique blend of technical, operational, and community-driven focus.

## **Michael McKenzie – Founder, President & CEO**

Visionary founder of CarbonCore, leading the company’s strategic direction, capital formation, and government engagement. Brings a track record of delivering complex infrastructure projects with strong investor and stakeholder alignment.

## **John Cornett – Co-founder & Chief Compliance Officer**

Oversees compliance, governance, and regulatory integrity across all CarbonCore operations. Ensures adherence to industry standards, legal frameworks, and ethical practices in all facets of the business.

## **Ray Farrier – Co-founder & Chief Operating Officer (COO)**

Oversees day-to-day operations and project execution. Brings decades of expertise in large-scale industrial and energy project delivery, with a focus on operational efficiency and team cohesion.
